Monthly Newsletter
February 2009

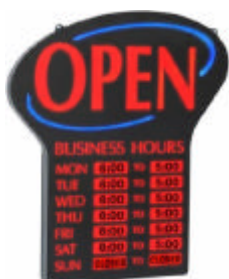

Welcome to the first edition of our monthly newsletter. We have a lot of information to share with you this month and thought this would be the best forum to communicate. Please feel free to email us with ideas for future newsletters, comments on the newsletters, feedback about the spa, or just to say hello. We look forward to yet another way of interacting with our clients.

February - the Month of Love

Come in to purchase a gift certificate for the one you love for Valentine's Day. We have also packaged some items for gift giving for the holiday. We're offering 10% off on a few items with the purchase of a gift certificate over \$50. And finally, we're offering 25% off on select merchandise. Come in and see if we have that special gift for that special someone!

New Business Days/Hours

In an effort to assist with business expenses in this difficult economy, we've decided to reduce the number of days each week that we're open. In trying to provide as many options for our clients as possible, we're working Wednesday, Thursday, and Friday one week, and then Thursday, Friday, and Saturday the following week. We'll be open 10:00 a.m. to 6:00 p.m. weekdays and 10:00 to 5:00 p.m. on Saturdays. We apologize for any inconvenience that this causes. When demand outgrows the three day window, we'll gladly return to our regular business hours. The new hours will be effective the week of **February 16th**.
