March – will Spring, spring?!

Winter took its sweet time in coming this year, but we've finally seen some of the white fluffy stuff in the past few weeks. Unfortunately many of us are ready for SPRING! Hopefully we'll get our wish come the 21st. In anticipation of warmer weather, prepare your skin with a body glow or wrap to exfoliate and detoxify. Also, get a jump start on open toed shoe season with a pedicure.
