Fall 2009

Summer is dwindling and it's time for the leaves to "bloom" and bring in Fall. September marks our one year anniversary as Infinity. We are so grateful to be surviving in this challenging economy and are extremely appreciative of our clients for hanging in there with us throughout it all. We have had to discontinue the teeth whitening services due to regulation changes imposed by the state of NC. But check out the many updates we're making to enhance our services. It's been a wonderful first year and we look forward to many more years of working with you. **- Beth and Mabelle -**
